| 25X1 25X1 25X1 25X1 25X1 25X1 25X1 25X1 | about 50 men were off duty. Trucks were seen at the gate of the installation. One truck was half loaded with baggage. About 50 to 60 soldiers, some of them with arms, were seen near the truck. Several pieces of baggage lay on the ground. There was no change in the situation about 90 minutes later. * Comment. In early February, about 400 men were in the installation. It is possible that elements of the corps troops carried there may be involved in the com and post exercise northwest of Naumburg or in Ohrdruf. The two trucks observed in the gate of the installation | | | | | | |
